

Escort Story

On January 10, 2011, 2 escorts, Kathy Savage and Frances Little (both DFWAA flight attendants) traveled to Belize to accompany 4 orthopedic patients back to St. Louis.

There were two 15 year old girls, both named Kim, 10 year old Bradley, and the “baby”, 8 year old Alex. When they arrived in DFW, another escort was supposed to meet them and accompany them to STL. However, she lives in Springfield, MO and was snowed in and couldn't make it to DFW. So, Kathy Savage took them on to STL.

There was a snowstorm in St. Louis right after their arrival Monday night so they all were able to experience their first snow the next morning. Little Alex had quite an adventure playing in “the white stuff”!
