*Embark On The Journey Of A Lifetime*

# Travel To Do Good To South Africa Oct 17-24, 2013

## Attn Airline Ambassadors- Mpuemelelo School Project

**“When you get, give.... when you learn, teach”. Maya Angelou**

Many of you have asked for an extended volunteer travel opportunity in South Africa, one in which you could share your gifts, talents and resources over a longer period of time. I believe that this itinerary will help you to do just that. South Africa provides an exceptional backdrop for the perfect volunteer travel experience. **I hope you can join us.... For more info call Ros: 954-649-2922**

### What type of Volunteer Support Is Needed.....

The Mpuemelelo Children’s Home and School needs your help. Over the last several years UPS has generously provided resources that have helped with the school’s infrastructure – new flooring, desks, toilets and an upgraded kitchen and classrooms. However there are still not enough qualified teachers, educational supplies and nutritious food. We can help fill these gaps by putting compassion in action by participating in the following volunteer activities

- Teaching/Class Instruction
- Creating Lesson Plans
- Physical Fitness
- Literacy/Tutoring
- Homework Assistance
- Staff Development

## LAND PACKAGE \$865 PER PERSON DOUBLE OCCUPANCY AT The Garden Court – Sandton

### \$865 Includes

- Round trip airport transfers
- Accommodations & Daily Breakfast
- Daily Round trip transportation to project
- \$60 donation to project

**October 17 - Depart from US**

### October 18 - Welcome to South Africa!

Arrive in Johannesburg, where you will stay at the Garden Court-Sandton City, minutes from Nelson Mandela Square, home to local shopping and dining.

**October 19 - 23 Mpumelelo Travel to do Good Project**

**October 24 – Depart for Home**

### About Mpumelelo

Maria & (Silviya-local in country coordinator)

Maria was a volunteer assisting social workers with the rising number of orphaned children due to AIDS, when she realized she had to do something more. As a result, she started the Mmpuelelo Children's Day Care and Orphanage in her home in 1998. Silviya, in country coordinator, assists Maria with fundraising and volunteer management.

Volunteer activities will include assisting teachers with class and recreational activities as well as landscaping and beautification projects.

We will also bring and distribute; school/art supplies, books and sports equipment.

*"At one point it seemed like a life of hopeless struggling, but through volunteer support and donations we have now been given hope"*

Maria Gabo
