

Help us help you
make a difference.

Millions of children are in desperate need. They are hungry, cold and have no access to clean water, lack proper medical care or a comfortable place to lay their heads at night. Many of us want to help, but simply don't know how to get involved.

We help ordinary people match their unique interests and skills to actual world need. Volunteers handdeliver aid and contribute to development projects around the world. We assist in areas of hunger, education, health, child welfare, sustainable development and disaster relief.

Airline Ambassadors International (AAI) is driven by the passion and commitment to impact the lives of children and families around the world. With thousands of volunteers we have hand delivered aid to 60 countries. Our volunteers have delivered aid to more than 44 countries to those that do not have many of the privileges and every day conveniences you and I may take for granted.

Airline Ambassadors began in 1996 with a small group of airline personnel using their travel benefits to with to help children. We have grown to include members of all professions who offer their time as *Ambassadors of Goodwill* helping children in our home communities and abroad.

Mission

Airline Ambassadors provides for orphans and vulnerable children by leveraging connections with the airline industry towards humanitarian service.

1 Humanitarian Mission Program

Volunteers hand deliver medical or school supplies, clothing, food and humanitarian assistance to children in orphanages on missions every month. We brighten their lives and encourage sponsorships for the children at our adopted projects. Please join us, on a "Journey of the Heart".

2 Children's Medical Escort Program

Members with airline passes can volunteer as an escort for a child needing medical care not available in their home country. The warm and capable presence of a caring adult provides security and turns the "miles into worldwide smiles" for these precious children on life changing journeys.

3 Human Trafficking Awareness Program

Since correctly identifying trafficking on four flights, Airline Ambassadors has also become a leading advocate for child protection and awareness in the airline industry. Volunteers provide trainings for front line personnel how to recognize and report potential trafficking situations.

Traveling to Make a Difference

Airline Ambassadors provides opportunities for you to be a living link between resource and need ...to personally touch a life. Whether you volunteer for our programs, involve your kids, sponsor a child, donate your miles or simply become a member - we thank you for bringing **Compassion into Action!**
